

Student Catalog Addendum

This catalog addendum updates and replaces the Admissions Requirements for the Cardiovascular Sonography Program subsection of the Admissions section of the 2022 Student Catalog with the following information:

Admissions Requirements for the Cardiovascular Sonography Program

In addition to the general admissions requirements and procedures included in the Student Catalog, the following additional and expanded admissions requirements apply to all prospective Cardiovascular Sonography program students:

- High school diploma or recognized equivalent
- Passing the Wonderlic Scholastic Level Exam (SLE) entrance test(s) with a score of 18 or higher
- Passing a designated sonography entrance test(s): TEAS scores of at least 60% in Reading, 50% in Math, 33% in Science, and 50% in English.
- Writing an essay on an assigned topic, to be graded by a member of the academic team. The essay must be completed at the campus prior to the interview.
- Completing an interview with IBT faculty and/or administrative staff

Prior to clinical practicum, clinical sites may require students to complete the following:

- Physical exam by a licensed practitioner
- Proof of current immunizations as required by clinical agencies
- Current CPR-BLS card (American Heart Association)
- Copy of Health Insurance card or signed waiver
- Passing a criminal background check and fingerprinting/drug screening

Note: At the recommendation of the Cardiovascular Sonography Program Director, the President has the discretion to waive minimum admission requirements to the Cardiovascular Sonography Program as deemed appropriate in his judgment. In such cases the President may require additional information from the student which may include but is not limited to the form of an interview, written statement, and/or other means of explaining the student's extenuating circumstances and/or demonstrating their aptitude for the program.
