

Student Catalog Addendum

This catalog addendum updates the Equal Educational Opportunity information in the 2023 Student Catalog.

Equal Educational Opportunity

The School recognizes its responsibilities under Section 504 of the Rehabilitation Act of 1973 to provide equal access to students with disabilities. Students with disabilities are encouraged to participate in school-related activities. Auxiliary aids and services are available upon request for individuals with disabilities. When requested by the student in writing and approved by the School as a reasonable accommodation, special resources may be provided to a requesting student. Please refer to the Disability Accommodation Procedure earlier in this catalog for accommodations details and procedures. Regular School procedures for application and admission apply to students with disabilities. For further information, contact the Director of Education. Students who feel that they have been harassed or discriminated against for their disability should follow the Student Grievance Policies and Procedures set forth earlier in this catalog.

Equal Educational Opportunity

IBT is an equal opportunity employer/program. The School is committed to providing an educational climate that is conducive to the personal and professional development of each individual. Students should be aware that discrimination and/or other harassment based on the age, color, ethnic background, disability, family status, gender, national origin, race, religion, sex, sexual orientation, or veteran status is unacceptable. To fulfill its educational mission the School designates the Campus Director as its designated representative to coordinate its Equal Employment Opportunity/Affirmative Action efforts to comply with Title IX of the Education Amendments of 1972, as amended, and with the Americans with Disabilities Act (ADA). Students who feel that they have been harassed or discriminated against should follow the Grievance Procedures set forth in the attached IBT Annual Safety and Security Report incorporated as Addendum A to this catalog.
