About Institute for Business & Technology

Since 1965, Institute for Business & Technology (IBT) has worked closely with employers to develop and deliver comprehensive career-oriented education by a highly experienced faculty. Our instructors bring practical industry experience to the classroom with relevant hands-on training they provide students. IBT is conveniently located in the heart of Silicon Valley in a modern 60,000 square feet facility.

How do I get started?

Meet with the IBT Admissions Department,
it's that simple!

Call 877-330-5127 today!

IBT is an accredited member of Accrediting Commission of Career Schools and Colleges (ACCSC). For information on graduation rates, median debt of graduates completing these programs, and other important information, visit www.ibt.edu.

Overview

Electricians can work in a variety of environments, including residential, commercial, new construction and remodels. The work may entail installing electrical systems to maintaining and updating older equipment. Work may also include maintaining and repairing large motors, equipment, and control systems in business and factories. Residential electricians install wiring and troubleshoot electrical problems in homes.

What will I be trained in as an Electrician?

IBT's Electrician program (State DAS Approved) is a comprehensive program, which prepares graduates for a variety of entry-level positions. As a graduate of the IBT program, you will gain knowledge in:

- Electrical code
- Wiring installation
- Conduit bending
- Motors and transformer systems
- Manual and electric industrial controls
- Photovoltaic (Solar)
- And more!

Graduates of the IBT Electrician program can work in a variety of environments, including:

- Residential
- Commercial
- Industrial maintenance
- New construction

Why take the IBT Electrician program?

- 10.5 months of training
- Hands-on training
- State DAS Approved
- Financial Aid is available for those who qualify
- Career placement assistance for graduates
- Accredited Member ACCSC
