

# Student Catalog Addendum

This catalog addendum makes the following updates to the Cancellation and Refund Policy information and corrects miscellaneous typographical errors in the 2026 Student Catalog.

## Cancellation and Refund Policy

This addendum updates and replaces the Cancellation and Refund policy section language in the 2026 Student Catalog with the following information:

### **Cancellation and Refund Policy**

IBT has adopted the following as its institutional cancellation and refund policy:

Student (and, in the case of a student under legal age, her/his parent or guardian) has the right to cancel the student's enrollment agreement and obtain a refund of charges paid through the second Tuesday following the Student's attendance at the first class session or the seventh business day after enrollment, whichever is later. The School shall refund any amount paid by Student within 45 days after it receives the notice of cancellation. Notice of cancellation may be given by mail, hand delivery, or fax. The notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, is effective if it states that Student no longer wishes to be bound by their enrollment agreement. Further, if Student has received federal student financial aid funds, Student is entitled to a refund of moneys not paid from federal student financial aid program funds. Additionally, students who have not visited the School facility prior to enrollment will have the opportunity to withdraw without penalty within three days, following either the regularly scheduled orientation procedures or following a tour of the School.

If a student accepted by the school never attends class (no show) or cancels prior to the start of class, the school will refund to the student all the money he/she has paid, minus the registration fee. For students whose program is cancelled by the school subsequent to a student's enrollment, the school shall refund all monies paid by the student. Applicants rejected for enrollment at the school shall receive a full refund of all monies paid, including the registration fee paid.
